WHITINGER FINANCIAL ADVISORS

OVERVIEW

Whiting Financial Advisors LLC provides investment management and planning services.

Investing your money to achieve maximum returns and long-term security requires a well defined investment strategy. We customize each recommendation and suggest specific investments using sound principles including Diversification, Tax Efficiency and Total Portfolio Coordination.

Whiting Financial offers a fee-based service that delivers a more client centered approach. Our independence and objectivity allow us to have the freedom to seek a myriad of resources and services that are far different from the typical retail broker. We tie your investment management strategies together with your tax management goals to maximize your overall return.
